PROFILE

Self-motivated and detail-oriented front-end developer with hands-on experience in creating responsive and user-friendly web applications. Proficient in HTML, CSS, JavaScript, and modern development tools, with strong problem-solving skills and a keen ability to learn quickly. Successfully completed independent front-end development projects during an internship at Skillcraft Technology, showcasing the ability to deliver high-quality results. Actively seeking opportunities to leverage and expand my skills in web development while contributing to innovative projects.

WORK EXPERIENCE

SkillCraft Technology

DEC-2024 - JAN-2025

Intern

- Designed and developed responsive web interfaces independently using HTML, CSS, and JavaScript.
- Delivered single-person projects, ensuring high-quality, user-friendly designs.
- Optimized website performance and ensured cross-browser compatibility.
- Gained practical experience in implementing modern front-end development techniques.
